## **SECTION II -INTRODUCTION TO REQUEST FOR QUALIFICATIONS**

- 1.1.** The City of Fort Lauderdale, FL (City), through its Procurement Services Department invites proposals that offer to provide General Water Consultant Professional Architectural – Engineering Services subject to the requirements of the Consultants’ Competitive Negotiation Act (CCNA). These services are described in greater detail in SECTION III – SCOPE OF SERVICES.

The initial term of the continuing contract will be for five (5) years. The City reserves the right to renew the contract for two (2) consecutive two (2) year terms subject to Consultant’s satisfactory performance and mutual agreement of the City and Consultant to renew the contract.

**1.2 BIDSYNC:**

The City of Fort Lauderdale will use BidSync ([www.bidsync.com](http://www.bidsync.com)) to distribute this RFQ. There is no charge to proposers to register and download this RFQ from BidSync. Proposals must be submitted in a sealed envelope marked on the outside with the RFQ number to the City of Fort Lauderdale, at the address indicated in SECTION IV – SUBMITTAL REQUIREMENTS

**1.3. INFORMATION AND CLARIFICATION**

For information concerning procedures for responding to this RFQ, technical specifications, etc., utilize the question / answer feature provided by BidSync. Such contact shall be for clarification purposes only. Material changes, if any, to the scope of services or bidding procedures will only be transmitted by written addendum (See addendum section of BidSync site). No variation in scope or conditions shall be permitted based upon a claim of ignorance. Submission of a proposal will be considered evidence that the proposer has familiarized themselves with the nature and extent of the work, and the equipment, materials, and labor required.

**1.4. LOBBYIST ORDINANCE**

Any consultant submitting a response to this solicitation is responsible for being aware of, and complying with City of Fort Lauderdale Ordinance No. C-00-27, Lobbying Activities. Copies of Ordinance No. C-00-27 may be obtained from the City Clerk’s Office on the 7<sup>th</sup> floor of City Hall, 100 N. Andrews Avenue, Fort Lauderdale, FL, or the ordinance may be viewed on the City’s website at <http://www.fortlauderdale.gov/clerk/LobbyistDocs/lobbyistord1009.pdf> Questions concerning whether you may or may not need to comply with said ordinance, please contact the City of Fort Lauderdale City Clerk’s Office at 954-828-5002.

**1.5. AWARD OF CONTRACT**

A Contract (the “Contract” or Agreement”) will be awarded in accordance with Florida Statutes, by the City Commission. The City reserves the right to execute or not execute, as applicable, a contract with the Consultant(s) that is determined to be in the City’s best interests. Such contracts will be furnished by the City and contain certain terms as are in the City’s best interests. The City reserves the right to award a contract to more than one Consultant as is in the City’s best interest.

**1.6. UNAUTHORIZED WORK**

The Successful Consultant(s) shall not begin work until a City Purchase Order or Notice to Proceed or Task Order is received.

**1.7. INSTRUCTIONS**

Careful attention must be given to all requested items contained in this RFQ. Proposers are invited to submit responses in accordance with the requirements of this RFQ. Please read the entire solicitation before submitting a proposal. Proposers must provide a response to each requirement of the RFQ. Responses should be prepared in a concise manner with an emphasis on completeness and clarity. Proposers notes, exceptions, and comments may

**1.7. INSTRUCTIONS (con't)**

be rendered on an attachment, provided the same format of this RFQ text is followed. All proposal responses shall be submitted in a sealed envelope or package with the RFQ number and opening date clearly noted on the outside of the envelope.

**1.8. CHANGES AND ALTERATIONS**

Proposer may change or withdraw a proposal at any time prior to proposal submission deadline; however, no oral modifications will be allowed. Modifications shall not be allowed following the proposal deadline.

**1.9. SUBCONSULTANTS**

A Subconsultant is an individual or firm contracted by the Consultant or Consultant's firm to assist in the performance of services required under this RFQ. A Subconsultant shall be paid through Consultant or Consultant's firm and not paid directly by the City. Subconsultants are allowed by the City in the performance of the services delineated within this RFQ. Consultant must clearly reflect in its proposal the major Subconsultants to be utilized in the performance of required services. The City retains the right to accept or reject any Subconsultant proposed in the response of successful Consultant or prior to contract execution. Any and all liabilities regarding the use of a Subconsultant shall be borne solely by the successful consultant and insurance for each Subconsultant must be maintained in good standing and approved by the City throughout the duration of the contract. Neither successful Consultant nor any of its Subconsultants are considered to be employees or agents of the City. Failure to list all Subconsultants and provide the required information may disqualify any proposed Subconsultant from performing work under this RFQ.

Consultants shall include in their responses the requested Subconsultant information and include all relevant information required of the Consultant. In addition, within five (5) working days, or at another time requested by the City, prior to commencement of negotiations, the Consultant shall provide a final list confirming the Subconsultant(s) that the successful Consultant intends to utilize in any resulting contract, if applicable. The list shall include, at a minimum, the name, and location of the place of business for each Subconsultant, the services Subconsultant will provide relative to any contract that may result from this RFQ, Subconsultant hourly rates or fees, any applicable licenses, references, ownership, and other information required of Consultant.

**1.10. DISCREPANCIES, ERRORS AND OMISSIONS**

Any discrepancies, errors, or ambiguities in the RFQ or addenda (if any) should be reported in writing to the City's Department of Procurement Services. Should it be necessary, a written addendum will be incorporated into the RFQ. The City will not be responsible for any oral instructions, clarifications, or other communications.

**1.11. DISQUALIFICATION**

The City reserves the right to disqualify responses before or after the submission date, upon evidence of collusion with intent to defraud or other illegal practices on the part of the Consultant. It also reserves the right to waive any immaterial defect or informality in any Responses, to reject any or all Responses in whole or in part, or to reissue a Request for Qualifications.

**1.12. RESPONSES / PROPOSAL RECEIPT**

Sealed Responses will be accepted in accordance with the schedule detailed on the cover of this RFQ. After that date and time, responses will not be accepted. The Consultant shall gather all documents necessary to support its Proposal and shall include them with its Proposal. Consultants shall be responsible for the actual delivery of responses during business hours to the exact address indicated on the cover of this RFQ.

**1.13. INSURANCE:**

The successful Consultant(s) shall furnish to City of Fort Lauderdale, c/o Department of Procurement Services, 100 N. Andrews Avenue, #619, Fort Lauderdale, FL 33301, Certificate(s) of Insurance prior to contract execution which indicate that insurance coverage has been obtained which meets the following requirements:

City RFQ Number and/or RFQ title should appear on each certificate.

Compliance with the foregoing requirements shall not relieve the Successful Consultant(s) of his liability and obligation under this section or under any other section of this Agreement.

The successful Consultant(s) shall be responsible for assuring that the insurance certificates required in conjunction with this Section remain in force for the duration of the project. If insurance certificates are scheduled to expire during the contractual period, the successful Consultant(s) shall be responsible for submitting new or renewed insurance certificates to the City at a minimum of thirty (30) calendar days in advance of such expiration. In the event that expired certificates are not replaced with new or renewed certificates that cover the contractual period, the City shall:

- A) Suspend the Contract until such time as the new or renewed certificates are received by the City in the manner prescribed in the RFQ.
- B) The City may, at its sole discretion, terminate the Contract for cause and seek re-procurement damages from the Successful Consultant(s) in conjunction with the violation of the terms and conditions of the Contract.

**1.14. CONSULTANTS' COSTS**

The City shall not be liable for any costs incurred by consultants in responding to this RFP.

**1.15 RFQ DOCUMENTS**

The consultant shall examine this RFP carefully. The submission of a proposal shall be prima facie evidence that the consultant has full knowledge of the scope, nature, and quality of the work to be performed; the detailed requirements of the specifications; and the conditions under which the work is to be performed. Ignorance of the requirements will not relieve the consultant from liability and obligations under the Contract.

By submitting a proposal each firm is confirming that the firm has not been placed on the convicted vendors list as described in Florida Statue §287.133 (2) (a).

The Consultant acknowledges that they have read the above information and agrees to comply with all the above RFQ requirements.

### **SECTION III - SCOPE OF SERVICES**

The City of Fort Lauderdale is interested in entering into a continuing contract for professional services with a Consulting Architect-Engineering firm to provide Water Resources and Water Supply Professional Architect-Engineering services as an extension of the City of Fort Lauderdale Public Works Utilities Engineering Division. The City is committed to providing reliable, high-quality water supply with improved efficiency and reduced water usage and cost savings.

The work will be of a specified nature associated with the City's Water System (as described in greater detail below) and as outlined in the contract, with no time limitation except that the contract must provide a termination clause.   - c. Scale models
  - d. Complete design packages for improvements to water supply, water treatment, storage and distribution elements of the City's system.
  - e. Planning, design, permitting and construction management/ inspection services.
13. Provide Public Education/Notification assistance.
  14. Provide long and short term planning; master planning.
  15. Development of new water supplies and new water supply sources evaluation.
  16. Existing Water supply evaluations and modernization of existing water supplies.
  17. Studies for current and future water demands and supplies and updates to the Consumptive Use Permit as required.
  18. Evaluation of interconnection to neighboring public water systems.
  19. Assist with the Safe Drinking Water Act compliance.
  20. Provide expert witness testimony.
  21. Review City Design. Conduct meetings with City staff to facilitate the City's involvement in the Engineer's work.
  22. Provide Construction Management and Inspections and/or specialty inspections.

### **WATER SUPPLY**

The City of Fort Lauderdale obtains water from the Biscayne Aquifer via two (2) Well Fields. The Prospect Well Field supplies the Fiveash Water Treatment Plant and the Peele Dixie Well Field supplies the Peele Dixie Membrane Plant.

### **WATER TREATMENT**

The City of Fort Lauderdale has two (2) Water Treatment Plants. The Fiveash Plant is a lime-softening plant that treats an average of 36 MGD and the Peele Dixie Plant is a nano-filtration plant that treats an average of 6 MGD.

### **WATER DISTRIBUTION**

The City of Fort Lauderdale has approximately 780 miles of water mains, 16,000 valves, 5,500 fire hydrants, 6 ground storage tanks and 1 elevated storage tank in the Water Distribution System. In addition, the city provides water for other municipalities in Broward County.

### **Quality Assurance / Quality Control**

It is the intention of the City of Fort Lauderdale that the General Water Consultant is responsible for all work performed by the Consultant and their sub-consultants. The consultant is responsible for maintaining conformance between the design basis, documentation and the physical configuration.

The City of Fort Lauderdale has developed a consolidated set of drawings for the physical configuration of the Fiveash Water Treatment Plant. It is intended that this set of drawings will be maintained as a record of the physical configuration. The City has developed Design Standards that the City wants to continue to be the format for future work. The consultant shall explain how they will incorporate this documentation into future designs and allow for technology advancements and Lessons learned in producing new design packages.

**Design Basis** – Information that identifies the specific function to be performed by the system and equipment and the specific values or ranges chosen for controlling the parameters as reference bounds for maintenance, operations and design.

**Documentation** – System Descriptions, Operating and Maintenance procedures, calculations, drawings, specifications, standards, indexes, vendor manuals, training documents, etc., depicting the design basis and physical configuration. This shall include all Presentation materials, reports, correspondence and permit applications developed to support Utility Engineering.

**Physical configuration** – Systems and equipment as they exist in the field.

### Document Submittal Format

All documents generated will become the property of the City of Fort Lauderdale. All documents shall be provided in a digital and hard copy format as defined by the applicable City format standards. Drawings shall be prepared per the City of Fort Lauderdale CADD specifications version current to the City Engineering Division at the time they are submitted. Plot Files shall be prepared and submitted which meet the stated City standards, found in the City of Fort Lauderdale Engineering Division web site: <http://www.fortlauderdale.gov/engineering/cad.htm>.

All reports, cost estimate, calculations and project specifications and documents must be submitted in the MS format version current to the City's Utility Engineering Division.
